2010 CALENDAR OF EVENTS

This is still in its provisional stage so can't be released at the time of going to press however, to give you an idea the following events took place in 2009: FIA/GT, British Touring Cars, LMES, Britcar, F3/GT, British Superbikes, Silverstone Classic, MG Car Club, Aston Martin Owners' Club, Bentley Drivers' Club, World Series by Renault, Walter Hayes Trophy weekend plus a large number of club meetings.

Our season starts at the end of February 2010 and runs through to end of October. Just take a look through this list and you can see why purchasing a Season Pass along with your membership makes good sense! The Silverstone calendar of race meetings will be published on our website just as soon as it is confirmed. www.silverstoneracingclub.co.uk

Of course, the other bonus is that we arrange social events and in January 2010 we have Richard Noble OBE coming to present the Bloodhound SSC. In February we have our annual Dinner Dance which is held in the BRDC Clubhouse to which we invite special guests.

Naturally, everyone always associates Silverstone with the British Grand Prix however, there are a great many other superb race meetings taking place throughout the year. Silverstone Racing Club is most definitely the place to be if you like to watch the action as our grandstand overlooks the Luffield Complex and the entrance to the Pit Lane.

If we have interested you so far – maybe you would like to join us – to do so, please fill in the tear off slip on the reverse of this form and we will send your membership pack out to you. We have different categories of membership which are as follows:

This pass entitles the holder to come in and out to the race meetings at Silverstone without having to purchase a ticket. Sadly it doesn't cover the MotoGP, F1 GP (should it return) and a few other trade events and concerts however, if you live locally to the Circuit and can attend at least 5 promoted meetings such as LMES, BTCC etc then you will have

FOR JUST £115 PER YEAR YOU CAN JOIN AS A SOCIAL MEMBER – THIS ENTITLES YOU AND TWO GUESTS TO ALL OF THE FOLLOWING:

- **FREE PARKING** at Silverstone at ALL events – inside the circuit at all Club events, just outside at promoted events
- Use of our Clubhouse facilities at all events – bar and catering available at most events

Our Club currently has a membership of approximately 1000 – all of whom are like-minded motor sport enthusiasts who have joined our Club to feel a part of the action and to meet others in a sociable and friendly environment. Of course, it helps that our exclusive grandstand overlooks one of the best viewing points of the circuit – from our stand you will see the end of the grid, the Complex and the pit entrance. Silverstone Racing Club started in 1966 and therefore has strong ties to the circuit. In 2005 we were able to obtain funding to further improve the facilities we offer. We are now able to offer a facility for corporate meetings and private hire of the clubhouse. Please contact the secretary for further details: janet.cesar@silverstone.co.uk
